Greetings Everyone!

May flowers ought to be in full bloom because we have sure received plenty of showers in April! What a blessing it is that we continue to move forward, even when we have to deal with whatever setback comes against us.

Easter season was truly memorable! We had a record crowd for Easter services. And I've heard more comments about how beautiful the service was. We had a record number of people watching online as well. I'm always amazed at how many people click on our Facebook church page to watch and share the services. Since this is such an amazing way to reach others, let me encourage you to share our page as often as you can. I believe it makes a difference. Also, do a google search of Sulphur Spring and give it a 5 star review. Those reviews keep us at the top of Google's search engine when people look at churches in Simpson County.

I also wanted to give a big thank you for giving to the Annie Armstrong Easter Offering for North American Missions. It really blesses my heart when I see how this church always comes through to help meet our goal.

It seems like May is our "down to the wire" prep month for all things summer. The children and youth are prepping for camp. The church is also prepping for Vacation Bible

School. There's a group of us that are making final preparations for our mission trip to Santiago, Chile. All of these preparations require every one of us to be on board to help! Lives are in the balance for so many. We want to see our own church family grow deeper in Christ. We want to see children come to faith in Christ. All this depends on prayerful, physical, and financial support. Serving the Lord really shows how valuable being part of the church family really is. Don't sit back and watch. Dive in and do all you can to help make a difference in the lives of our community and our world!

Let me encourage you to be intentional. There are so many distractions in front of us all! Don't allow church to become a secondary part of your life. Ask yourself (and be honest) where Jesus ranks in your life. Is He first? Or is He a close second, maybe third? Our daily decisions reveal that answer. The time we live in right now need clear voices for the power of God to change lives. If your life doesn't reflect a godly character, maybe you need to rethink some priorities. I walk this path every day, and every day I'm reminded of the Apostle Paul's words when said he had to "die to himself daily." The struggle is real!

On April 24th, Cheryl and I celebrated 9 years of serving alongside you at Sulphur Spring. We are grateful for this period of time and we look forward to see how God will

continue to lead us as we continue to walk this path together.

Blessings!

Bro. Mike
