Greetings Everyone!

Happy Cold February!!

January ended with a vengeance and has locked us down as we begin this month. It makes me all the more excited about SOUPER BOWL SUNDAY!! There's nothing like a hot bowl of your favorite soup to warm things up on a cold wintery day. As the weeks of the new year begin to roll past, the bulletin begins to look healthier again. It's always such a dead time right after Christmas. But now that February is in full swing, our announcements pick up and our activities begin to move forward.

I've already mentioned it, but I want to emphasize our luncheon right after church on the 8th. This soup lunch was happening well before I came to Sulphur Spring almost 10 years ago. I have absolutely enjoyed being part of this event every year! I kind of feel like it's rigged though, because I never win! I hope you can stay and be part of this fun time as we support our youth going to camp again this summer.

The children are up and running as well! By the time we meet on the 1st, they will be getting ready to go on their first adventure of the year, as well as enjoy some CiCi's Pizza. It really makes me glad to see how many people we have that try to make sure

coming to Sulphur Spring is a great time for everyone.

And it won't be long before all this cold weather, ice and snow are gone, and we'll be headed toward spring and our time of revival services. I'm especially excited about the men that are coming to preach during this special time. I hope you're praying for this meeting. My mind reels with the possibilities of decisions that could be made for the glory of God! March 1-4 is the date. Try your best to attend all the services. It's going to be great! We'll be making flyers for you to have if you want to let others know what's happening here at SSBC!!

I want to write on more thing in this article. This is personal for me and my family. January, 1981 I surrendered my life to the Lord to preach. I was barely 18 years of age. I had no idea where God was leading. I remember hearing my pastor preach during our emphasis on the Lottie Moon Christmas Offering about the lostness of people all around us. I couldn't shake those words. It took me a few weeks to understand what God was saying, but when I did, I gave my life to mission of Christ's call. That was 45 years ago and I'm still humbled by His mercy and grace that has allowed me to pastor 5 different churches across this Commonwealth, and travel across this country and into 8 different countries on multiple mission

trips. I've preached in churches, on street corners, front yards, and inside homes. I've been blessed to see hundreds of people come to know Christ. I've baptized new believers who spoke words I couldn't understand. And as long as God allows me, I'll keep going. And it's still an honor to serve right here in Franklin, where it all started.

Blessings!
Bro Mike
