Greetings Everyone!

What an amazing month we've had here at SSBC! It seems like the church has been buzzing with activity. It's really been nice to see the different teams at work. Progress is being made in many different areas and it's good to see so many of you working together.

I think our revival meeting went amazingly well! And I am so grateful you all came out and supported this special time. Every speaker complimented the church for the good number of people and the way we sang each night. It made me feel good to know how much you supported this revival! I also want to thank Jeremy Ross for his part in leading the music. You did a fantastic job of bringing in all the right people as well as leading us in congregational singing. My hope and prayer is that we continue working together in support of all the ministries and activities that take place in the life of our church.

As I write this article, Easter is almost upon us. This is always a special time in the life of any congregation. Easter is all about the resurrection of Jesus. As much as the world would like to water down this truth, it can't. Without Jesus, you have no resurrection. And without the resurrection, you have no Easter! I pray that we will all stay faithful to the foundational truth we

celebrate! Don't let the world lure you away from your faithfulness to the Lord and His church!!

Mission trip plans are underway! We've been given the task of evangelism and ministry with the children in the Maranatha Church community. We will also be doing the same work up on the mountain where the mission church is located. We only have a small team going this year, so the work will be greater on each of us. Please keep our team in your prayers as we prepare for this mission. Our prayer is that we will see many souls saved and that the church will continue to be blessed as they serve the people in Santiago de Cuba. If you'd like to help financially, we could definitely use your help! With fewer people going, some of the expenses will be more for each of us. Hotel rooms, interpreters, food, fuel, and other incidentals will cost more because our number is less. Thank you all for how SSBC supports all the mission work God leads us to do.

VBS is another area of missions we are working on as well. What a blessing to have everyone get on board together to make this event so good every year! And I know that this year will be no different. Make your plans, if possible, to work and help as missions and ministry comes to our front door!

And as always, it's an honor to serve with you for the glory of His Kingdom!

Blessings!

Bro. Mike
