Greetings Everyone!

WOW! March has been an absolute whirlwind for me! So much has happened with us as a church family and with me personally. I am so grateful for God's presence in every twist and turn.

I believe our revival was a huge success! When I told the preachers that our theme was "Waste Not," they jumped on that idea. I came away from each service thinking that it couldn't get any better. But it did! I was extremely blessed to hear from the Lord as each of these men shared what God had laid on their hearts. We were also very blessed with fun, uplifting music each service. I know that revival is not meant to entertain, but I really am grateful for the spirit of fellowship and enjoyment we all seemed to have as we gathered together.

I jumped right out of our revival meeting into some personal medical procedures. I know that's not glamorous, but I was switching directions a lot this past month. I'm discovering more and more that as I get older, there are more things I have to keep adjusting in my personal life to keep me moving forward. I find it amusing that I seem to be on a first name basis with my caregivers!

Now, back on track. We just finished our 2nd annual Associational meeting. Sulphur Spring was the host this year. What a

blessing it was to hear from Dr. Todd Gray, our Executive Director of the KBC, who spoke to us about evangelism and outreach. This has been the heartbeat of Dr. Gray's ministry for many, many years. His enthusiasm is very evident and contagious!

As we move forward into April, a few things are happening. First of all, we're heading into Easter season. And what a blessing it is to give to our Annie Armstrong Easter offering once again. Our goal is \$2500. As of this writing, we are about \$700 away from reaching that goal. Our reminder is the map of the United States. Each state represents \$50. Let's get it covered! I want to take a picture of it to share with Dr. Gray. He was very impressed with our approach to this offering!!

I've not said a lot about our Chile mission trip, because I didn't want to take away our focus on the other events happening, like our Easter offering. As of right now, we have 4 people from Sulphur Spring heading out this July to do missions in the city of Santiago, Chile. Ella Watwood, Curtis Handley, Laura Benton Elliott, and myself. We also have Todd Chambers from Lake Spring going. Allan Garcia, our Cuban connection, is going and is bringing one member of his church with him as well. I'm hoping to add a couple of more people to this team. That being said, if you would like to help

financially support any of our team members from SSBCC, we could really use your help. It takes a lot to make these trips. This church has always been amazing in its support. We are grateful.

Blessings!
Bro. Mike
